

Hooray for Summer Reading!!!

Dear Tindley Parents,

As the 2015-2016 school year comes to a close, it is our pleasure to present to you our Summer Reading Assignment. Summer reading is an important activity for your child's growth and development. It encourages student to continue learning while providing them with fun and enjoyment.

Attached you will find a recommended reading list that includes titles from award winning authors. As part of our Summer Reading Program we are asking that your scholar chooses four different books from the list and completes the attached Reading Log. Most of the books listed can be found at your local library or if desired purchased at a store. Students who complete the Summer Reading Log will receive a free book at the beginning of the 2016-2017 school year.

Again, our goal with the Summer Reading Assignment is to assist your child in becoming lifelong readers while developing their development for the upcoming school year.

The following tips may be helpful to encourage reading over the summer:

- Encourage your child to select books that interest them from the list.
- Whenever possible, children should read at least 10 minutes per day.
- Read aloud to your child, even if they want to read independently.
- Read outside!
- Ask your child questions about the book; who, what, where, why, why, and how.

Whether you are inside on a raining day or enjoying the sun... don't forget to curl up with a good book!

Have a wonderful summer! See you in August!

Sincerely,

Amanda M. Koth
Executive Director of Academics
Tindley Accelerated Schools
